government, central government)		resource consent application to enable public participation.
Glenavy School	May 2022	Project overview and information sharing.
Representatives of Te Runanga o Waihao	26 May 2022	<ul style="list-style-type: none"> ● Provide update on the project and timelines for lodgement. ● Discussion on alignment of Project Kea with the government's waste minimisation and circular economy concept and deal with climate change matters. ● Confirmation that there are no "red flag" matters on the Project Kea site (in terms of presence of any sites of significance to Mana Whenua). ● Te Runanga o Waihao representatives sought information on the types of resource consent approval required. ● Discussion on what the engagement process with Mana Whenua would look like. ● The general view of Te Runanga o Waihao representatives was that it would be more appropriate for them to draft the CIA after they have had the opportunity to see the comments from ECAN's peer reviewers. The applicant agreed to canvass this with ECAN staff.
Te Runanga o Waihao	22 August 2022	The applicant advised that Te Rūnanga o Arrowhenua, Te Rūnanga o Maeraki and Te Rūnanga o Ngai Tahu have provided confirmation to Te Rūnanga o Waihao that they support Te Rūnanga o Waihao taking a lead on behalf of
